Connolly™

LOUNGE COLLECTION

NATIONAL®

Residentially styled and option rich.

Maximize small or larger spaces and create a variety of configurations with Connolly's broad offering of lounge seating and inline tables. This collection of freestanding and modular units optimizes comfort with a unique design that maintains generous seat proportions even with a smaller scale footprint. Outfit spaces beautifully by choosing between wood or painted metal legs, multiple contrasting fabric locations, and thread options.

A stunning silhouette that showcases precise craftsmanship.

Residentially styled with option rich design elements and beautiful stitching details, Connolly accommodates a variety of configurations and smaller footprints without compromising comfort. Utilize Connolly's organic shape, plush cushions, and beautiful stitching details to create spaces that are inviting and cozy.

The Connolly collection includes freestanding and modular lounge seating and inline tables, making it easy to outfit a variety of spaces. Available in a wide range of surface materials, contrasting upholstery locations, wood or metal legs, and optional power and data solutions, Connolly delivers comfort and style to any environment.
