Joelle™

Comfort Works

Designed to create informal, impromptu meetings, Joelle brings a casual charm to the workplace. Each Joelle component is available separately or can be combined with tables and surface ottomans to form flexible spaces where people can drop in, share ideas, or just stretch out while they work. Contrasting fabrics and stitching provide additional options that add personality to your space.

Shapes for Any Occasion

The small scale and variety of shapes make Joelle easy to integrate into any area of the office. Mix and match pieces to create flexible and comfortable seating. From lobbies to informal conference spaces, Joelle is the perfect solution for any space.
