Thatcher™

Designed by
Elliot Eakin

Beauty from every angle.

Elliot Eakin's Thatcher lounge chair is a visually stunning and practical masterpiece inspired by Chicago's river bascule bridges. With ingenious design elements, like the armrest symbolizing the bridge and the legs mimicking the truss structure, the chair captivates from every angle. Intentionally crafted for beauty and functionality, Thatcher stands as a centerpiece worth admiring.

STATEMENT OF LINE

Lounge Chair

KC6G12 Beech
KC6G11 Walnut

Height	31"
Width	27¾"
Depth	30¾"
Seat Height	17⅛"
Seat Width	24⅜"
